2023 Earthquake — Government Emergency Aid Statement

Modül A · Opposition Party Demo · `deprem-2023`

Executive Summary

ACCURACY SCORE	NET SENTIMENT	TOKENS	COST
84.7%	**-57.2**	**14,960**	**€0.58**
Historical calibration	(support+hope) − (anger+fear)	11,840 in / 3,120 out	LLM gateway

Highest risk: 62% anger observed in the Urban Modern cluster. Alternative framing via Module F (Counter-narrative) is recommended.

Highest support: 36% support in the Anatolian Religious cluster. The discourse created strong resonance in this echo chamber.

Reaction distribution by cluster

Opposition Party Demo (new / little-known)

Ideological axes (1-5): Economy 3 · Culture 4 · Religion 2 · Nationalism 3

Input text

> Our state is mobilised across all institutions. Under AFAD coordination, distribution of tents, blankets and hot meals has begun. Our rescue teams are working day and night in the affected region. We stand by our earthquake victims and will leave no one behind.

Bu rapor sentetik popülasyon simülasyonuna dayanır. Yapay ajan yanıtlarıdır, gerçek bireylerin tepkisi değil. Karar destek aracı olarak kullanılmalıdır.
